Greenbanks House

OUR NEWS

March - May 2026

Hello everyone!

Isn't it great to be having warmer weather!

I'd like to personally thank you for reading our news and to those of you who take the time to acknowledge what we are doing and achieving together..

As always, we've celebrated and done so much since March.

Birthdays, Easter, holidays, home improvements. Take a look!

Allan enjoyed a relaxing Birthday drink at The Duke of Cumberland and Hugh was presented with a voucher he won in a competition at The Fifth Trust

Lots of activities took place over the Easter weekend

We made bonnets, painted eggs and had an Easter egg hunt

Four of us went to Tenerife at the end of April with Bernie and Mandy

Look out for our holidays to Scotland and Great Yarmouth in the next issue!

Take a look at our new, more modern website www.greenbankshouse.co.uk

House updates

- The reconfiguration of the staff office is currently in progress. Martin is undertaking the majority of the work in order to minimise costs. Upon completion, the revised layout will provide an enhanced working environment, supporting the team to carry out their duties more effectively and offering appropriate space for meetings.
- We have had new fire doors and further upgrades to existing doors to remain fire compliant.
- The gardens are looking beautiful thanks to our maintenance team and not to forget Allan C, who loves to potter about and help with the weeding.

In other exciting news!

- A new resident will be joining us in our home as a permanent resident in June. We'll be welcoming and introducing her in our next issue.
- Telvin, one of our support staff, has just got engaged AND raised money for charity by running the marathon! Congratulations from us all!
- Three staff have been promoted to senior roles. Congratulations to Sherry, Amy and Lauren and we wish you luck!

- Almost daily, we have residents come in to the main office on their way home from the work centre, excited to show us the certificates they have gained in various subjects. It's so good to see them all achieving and enjoying life. We will be looking at more exciting activities at home for those residents who are a bit older or less able to go to the work centre. Watch this space…

Look out for our May - July edition at the end of June for the start of our summer fun.
Thanks to our residents, families, friends, Bernie, all our staff and directors for making this such a good place to live and work.
Enjoy the sun! Until next time…

Best wishes, Tam
