# OUR NEWS

## March - May 2025

Hello, friends. We hope you're all well. The warmer days are making us all feel brighter and we've had a very busy time since our last edition, as you'll see....

Before we update you with our news, please can we remind you of the correct links to our social media and website. We'd be very grateful if you could share them with friends and family and support our charity. There has been a lot going on and plenty more to come this year! Click on the links below:

This year our residents chose holidays home and abroad with Jo, Sue, Ray and Allan C due to go to Great Yarmouth on 14 June. Stella will be having a 1-2-1 holiday of her choice.

Andrew, Hugh, Peter, Ben, Lucy, Elizabeth and Hannah went to Tenerife on 12 May.

Jean, Kath, Fiona, Alan S and Malcolm chose to have days out throughout the summer instead, as they like their home comforts and their own beds.

It was Hugh's 60th Birthday in April and we celebrated with him by eating a lot of cake and doing a lot of dancing!

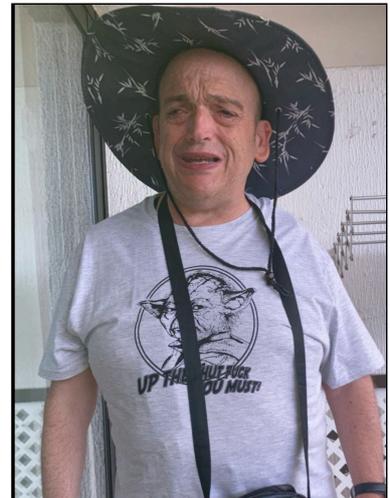

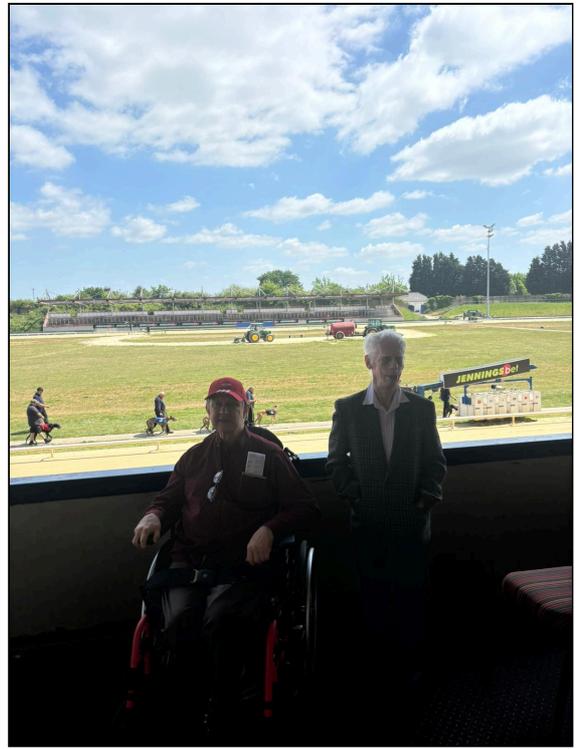

As you can see, Hugh's cake reflects his love of a cheese board!

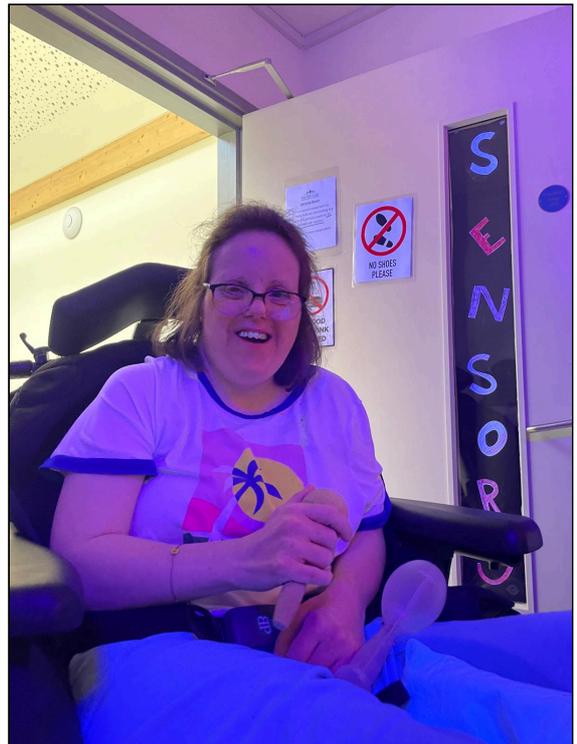

Here are our Tenerife holidaymakers, having fun in the sun!  
I'm sure they must have missed us a little...  
Head over to our Facebook page for more photos.

A day at the races for Malcolm and Alan.....no wins, but a lot of fun!

Kath had a day out shopping and had lunch at her favourite garden centre and Fiona has been regularly enjoying the sensory room at the Work Centre.

More fundraising has been achieved!

Thanks to Matt Gurney for running the London marathon again this year for the Greenbanks Charity Trust, and thank you also to the Kent Bowling Association who held an event at Thanet Bowls Club to raise funds. It is much appreciated and will help us to purchase some much needed mobility aids.

## Health & Safety

- We now have marked car parking spaces at the rear of the house and a walkway for residents to use, making it safer for everyone.
- Pestaway have been and laid rat traps, but have confirmed that we do not have any infestations of mice or rats in the house.
- The guttering has been replaced at the front of the house. The side and the conservatory guttering will be replaced in due course.
- All inspections and certifications are up to date.

Thank you for sharing with us again. Thank you to Bernie, our directors and our dedicated team of staff.

Best wishes until next time, *Tam x*
