A Tribute to Kathleen Scales

A little bit about Kathleen

Kathleen had a gentle spirit and a love for life's simple pleasures. She found joy in sewing, often creating beautiful pieces that reflected her patience and creativity. She enjoyed quiet moments watching her favorite programmes and could often be found thoughtfully working on puzzles; an activity that spoke to her calm nature. These were more than just hobbies; they were expressions of who she was.

Kath loved shopping for new needlework projects, fitting in a bite to eat along the way

Former Support Worker

Tam said,

“Kath had a wonderful sense of humour and loved it when we joked with her, often coming back with a good riposte, and she was always concerned for the welfare of staff and other residents. She had a beautiful soul and is dearly missed”

Holidays and days out

Precious time with friends and family

A big thank you to Bernie, our staff and the Directors for their support and to all those who have contributed to the fundraising day so far. A heartfelt thank you goes to our wonderful residents for bringing joy, laughter and warmth to our home.

Best wishes to all, Tam x
